The Bulldog
1959

DEDICATION

Dear Mom and Dad,

Remember that day, years ago, when you took us by the hand and led us into that great building? Few of us realize that the steps we climbed that day could lead to such memorable events. Now we have climbed these steps for the last time; the second flight looms before us.

As we recall the past, happy memories come to us; but none happier than our thoughts of you, Mom and Dad. You gave us the strength and courage to face the first flight of stairs.

Few of us can forget your love, guidance and your patience. Without your help we could never have advanced this far in becoming good useful citizens.

So show you in a small way our gratitude and appreciation, we, the Senior Class of "59," dedicate this, the 1959 "Bulldog" to you, our parents.

Senior Class History

In September of 1955 a new army of recruits arrived at Talmage High in good order. They are as follows: Larry Bischoff, Donald Clark, Elaine Eiben, Mary Jane Folkerts, Kenneth Gobber, Jack Hill, Kay Keller, Anita Kreimer, Jean Oltman, Judy Ruenholl, Adrian Volkmer, and Barbar Wellensiek. They were exhausted, nervous, but in good spirits. Some of them were anxious to enter into the No Man's Land of Education, but they were restrained by stronger members of the class. Thus from the start did the class of '59 nobly serve.

Our superiors immediately gave us an initiation in the accustomed style. In November of our first year, week-end passes were issued to our unit. We ventured to Omaha to hear a Scottish Band.

Our second year passed with very few changes.

As we began our third year, Kenneth Gobber was transferred to Auburn and Elaine Eiben was transferred to Bayard. One new recruit, Ben Burns, was transferred to Talmage from Dunbar.

During our third year it was our privilege to entertain the community with a three act play, "My Cousin from Texas."

We also gave a banquet in honor of those who left the camp that spring. Since we have all dreamed of being stationed in Hawaii we carried out the Hawaiian theme in our food and entertainment.

During our last year we had more special activities than in the past. In the early part of the year, Adrian Volkmer was transferred to Nebraska City.

In the early fall our unit was taken to Nebraska City to attend a day of schooling called "Career Day."

On November 20 and 21 we were again privileged to entertain the troops and our friends with a play entitled, "Three Fingers in the Door."

One spring day the officials arose to find our entire unit had gone AWOL. They had joined a caravan of other Seniors going to the Ozarks. But since we had taken the Major and one of the company supervisors along, we received no punishment for this.

On May 2, the third year troops gave us a banquet, since we would soon be leaving our old camping grounds. The theme was "Garden of Friendship."

For four years we had looked hopefully forward to discharge. We realize now, with heavy hearts, that our friends and officers will each be going their separate ways, and that our high school days are over.

Now after setting our goals we are ready to set out on life's journey.
